Auxiliary contacts BD

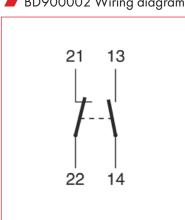

BD900022 Dimensioned drawing

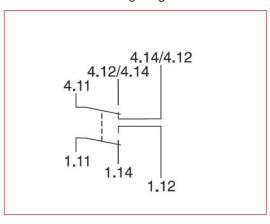

BD900002 Dimensioned drawing

BD900002 Wiring diagram

BD900022 Wiring diagram

DESCRIPTION	AVAILABLE	ORDER NO.
Auxiliary Contact, 1NO+1NC, screw on type, for RCDs	555 0- 6	BD900002
Auxiliary Contact, 2CO, switchable, screw on type	000 0=0	BD900022

Restarting and remote switching units

DESCRIPTION	AVAILABLE	ORDER NO.
Automatic remote switching unit type FSA		
Remote Switching Unit, 230V AC, Type FSA	350 0-6	BD900907-A
Remote Switching Unit, 24-48V DC, Type FSA		BD900909
Remote switching unit, type FSE		
Remote Switching Unit, 230V AC, Type FSE		BD900910
Remote switching module, type FSM		
Remote Switching Module 24-230V AC/DC	333 0-	BD900908
Remote test module		
For 0,03 A	333 0-6	BD900902
For 0,1A		BD900903
For 0,3A	333	BD900904

Power Relays Series RT

Part	DESCRIPTION	AVAILABLE	ORDER NO.

RT424730 230V-AC, 2 CO, 8A, gold plated Spring Clamp Terminal Socket for Power Relays RT DIN rail mounted plug-in socket for RT2x, RT3x, RT4x, XT, RP4x relays, pinning 5mm, max. 16A, with spring clamp terminals DIN rail mounted plug-in socket for RT7872P Plug-in Socket for Power Relays RT DIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT1x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals Retaining clip for RT relays with ejection function RT17017 Itumper bar for connection of up to 8 RT-sockets RT170R8			
RT425730 Spring Clamp Terminal Socket for Power Relays RT DIN rail mounted plug-in socket for RT2x, RT3x, RT4x, XT, RP4x relays, pinning 5mm, max. 16A, with spring clamp terminals Plug-in Socket for Power Relays RT DIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals Retaining clip for RT relays with ejection function RT17017 Itumper bar for connection of up to 8 RT-sockets RT170R8			
Spring Clamp Terminal Socket for Power Relays RT DIN rail mounted plug-in socket for RT2x, RT3x, RT4x, XT, RP4x relays, pinning 5mm, max. 16A, with spring clamp terminals Plug-in Socket for Power Relays RT DIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals Retaining clip for RT relays with ejection function RT170T8			
DIN rail mounted plug-in socket for RT2x, RT3x, RT4x, XT, RP4x relays, pinning 5mm, max. 16A, with spring clamp terminals RT7872P RT170P1 Plug-in Socket for Power Relays RT DIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals RT78725 Retaining clip for RT relays with ejection function RT170T8			K1425/00
Plug-in Socket for Power Relays RT DIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT1x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals Retaining clip for RT relays with ejection function RT17017 RT170R8			RT7872D
Plug-in Socket for Power Relays RT OIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals OIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals OIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals RT78725 Retaining clip for RT relays with ejection function TR17017 RT170R8			
DIN rail mounted plug-in socket for RT1x relays, pinning 3.5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw terminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals RT78725 Retaining clip for RT relays with ejection function RT17017 RT170R8		(355 0 5	KI I/ VF I
DIN rail mounted plug-in socket for XT, RT2x, RT3x, RT4x relays, pinning 5mm, max. 12A, I/O - logical arrangement, with screw erminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw erminals Rt78725 Retaining clip for RT relays with ejection function RT17017 RT170R8			YPT78624
Parminals DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw reminals Retaining clip for RT relays with ejection function RT17017 Rumper bar for connection of up to 8 RT-sockets RT170R8		000 0-0	1 K17 UUZ4
RTT8725 Retaining clip for RT relays with ejection function Retaining clip for RT relays with ejection function RT17017 RT17018	terminals	000 0-0	YRT78626
Retaining clip for RT relays with ejection function RT17017 RUMPer bar for connection of up to 8 RT-sockets RT170R8	DIN rail mounted plug-in socket for RT2x, RT3x, RT4x relays, pinning 5mm, max. 16A, conventional arrangement, with screw terminals	300	RT78725
lumper bar for connection of up to 8 RT-sockets RT170R8	Retaining clip for RT relays with ejection function		RT17017
	Jumper bar for connection of up to 8 RT-sockets		RT170R8
	Marking tag (for YRT sockets YRT78624 and YRT78626)
