The screenshot shows the 'Wizard' interface with two columns: 'Language' and 'Locality'. In the 'Language' column, 'English' is selected and highlighted in green, with a circled '1' below it. In the 'Locality' column, 'Italy' is selected and highlighted in green, with a circled '2' below it. At the bottom, a red arrow points to the 'Next' button, which has a circled '3' next to it.

The screenshot shows a 'Privacy statement' screen with a scrollable text area. At the bottom, a red arrow points to a checked checkbox next to the text 'I have read and agree', with a circled '1' next to it. Another red arrow points to the 'OK' button, which has a circled '2' next to it.

The screenshot shows the 'Wizard' interface with various system settings. The settings include: Time Zone (GMT+01 Amsterdam, Berlin, Rome, Stockl), System Time (28/10/2019 14:15:29), Date Format (Day/Month/Year), Time Format (24-Hour), DST (ON), Synchronous (NTP), NTP Server (time.windows.com), and Video Format (PAL). At the bottom, a red arrow points to the 'Next' button.

The screenshot shows the 'Wizard' interface for 'Admin Password Setup'. It includes fields for Username (admin), New Password (admin), and Confirm Password (admin). There are checkboxes for 'Display Password' (checked) and 'Log In Automatically'. A 'Pattern Lock' section has an 'Enable' checkbox (unchecked) and an 'Edit' button. At the bottom, a red arrow points to the 'Next' button.
